GENERAL TERMS AND CONDITIONS

- 1. Exhibit booths will be audited at the show site and any additional service used will be added to the final bill at the floor price. Cancellations will be accepted until 72 hours prior to move-in.
- 2. Rates include bringing service to the rear of standard booth or to the nearest floorport inside an island booth.
- 3 traight time labor for an electrician is \$75.00 per hour. There is a one (1) hour minimum charge.

- 3. Straight time labor for an electrician is \$75.00 per hour. There is a one (1) hour minimum charge.
- Double time rates apply before 8:00am and after 5:00pm Monday through Friday; all day Saturday, Sunday and Holidays.

 Additional labor must be requested by the exhibitor at the Service Desk. ELECTRICAL LABOR MUST BE ORDERED 72 HOURS IN ADVANCE IN ORDER TO HAVE MEN AVAILABLE WHEN NEEDED.
- 6. Exhibitors requiring 24-hour service will be charged regular rates plus 25%. Special notice must be given to the Ontario Convention Center at our Service Desk if 24hour service is required. All breakers will be turned off.
- 7. All equipment provided by exhibitor must comply with all national electric codes, and state and local safety codes. All electric cords must be three-wire, grounded type. All equipment must be properly grounded.
- 8. The Ontario Convention Center is not responsible for voltage fluctuations or power failures on service lines.
- 9. Unless otherwise directed, the Ontario Convention Center is authorized to cut floor coverings to permit installation of service.
- 10. Wall and post outlets are not part of booth space. Separate outlets must be ordered for each location to be connected. All material and equipment furnished remains the property of the Ontario Convention Center. The rates listed include necessary City of Ontario Permits and inspection by a City authority enforcing national codes.
- 11. The Ontario Convention Center is obligated to refuse connections when wiring is not in accordance with the City Electrical Ordinance. Local Ordinance prohibits more than two connections per outlet box. To prevent overloading of circuits, exhibitors shall not be permitted to add wattage, except by ordering at the Service Desk.
- 12. Any breaker disruption will be billable at double rates.
- *Electrical order that require 208/480/ and Power Cable AUT 4 will have a labor fee requirement in addition to the discount and standard electrical rate.

It is important that you review the following items carefully to understand your safety and responsibility regarding electrical power.

- 1. All electrical material and equipment must be grounded.
- 2. 2-Wire cords (Ripcords or Zipcords) are unacceptable unless the cord is a component part of an assembly which is specially approved.
- 3. SAFE WIRING IS ESSENTIAL: The Ontario Convention Center is responsible for the total electrical distribution system and the linking of electrical services, including installation of all cords under carpets. SERIOUS RISKS are involved which can be reduced with accurate understanding of basic requirements. Safe wiring inside an exhibit area is essential.
- 4. All electrical cords must be the three-wire, grounded type. All exposed non-current carrying metal parts of fixed equipment which are liable to be energized shall be grounded.
 5. Each motor must be equipped with a fusible switch.

HORSEPOWER TO AMP CONVERSION CHART

	.75HP	1.5HP			5HP	7.5HP	10HP	15HP	20HP	25HP	30HP	40HP	50HP
120	20	30	30	45	-	-	-	-	-	-	-	-	-
