MapDynamics

Focused on service. Built with purpose.

## Interactive Floorplan & Editor

An easy-to-use, online editor that gives you control over your floorplan's layout, presentation, and assignments.

Association of Screenshot Example
Annual Conference

The details of your event are likely to change on a regular basis so we've built our software to be simple to use and accessible 24-hours a day from any internet-connected computer.

FEATURES

- Floorplan Editor
- Event Control Panel
- Responsive Web App
- Exhibitor Directory & Profiles
- Tracking & Analytics
- Website Embed & API
- Links & Documents

ADVANTAGES

- Make changes to your booth layout or assignments without having to wait for someone else to re-upload a document each time.
- Integrate the floorplan directly into your existing website for additional event and exhibitor promotion.
- Allow exhibitors to see the booth layout, available booths, and neighboring vendors to help them make decisions faster.
- Give your attendees an easy way to find exhibitor info, locations, and the event layout all from one screen.
