

## AMEA Exhibitor's Cocktail Reception Sponsorship

AMEA will host an Exhibitor's Reception cocktail hour on Thursday, January 17, 2019, from 4:30 – 5:30 pm in the exhibit hall. Light hors d'oeuvres will be served. Your support of this important event is greatly appreciated. We feel this will give our attendees an opportunity to spend quality time with you in a casual, relaxed atmosphere without having to rush off to a clinic or performance. No other conference events will take place during this time. There is a limit of eight (8) premium sponsors at \$500 each. Sponsors will be listed in large lettering on posters at the reception and placed around the conference facilities and recognized in the conference program, website, social media, and conference app.

To have your company name published in the conference program, please register by December 1.
