Each 10'x10' booth is furnished with one 6' black draped table, two chairs, carpeting, a wastebasket, pipe and drape. If you would like any additional furnishings, you can rent them from The Expo Group

BOOTH APPEARANCE

- Displays and merchandise should have a neat and professional appearance consistent with the quality standards of the Las Vegas Convention Center and Competitor Group, Inc.

- Merchandise should be displayed in appropriate display containers, and not simply piled on tables
- There should be no overflowing trash visible in your booth

- Please break down your boxes before discarding them - Thank you!

YOUR PROMOTION AND YOUR NEIGHBORS

Competitor Group, Inc. strives to offer all exhibitors the conditions most favorable to promoting their products or services. Therefore we ask that all aspects of your promotion be limited to your booth area, so that you do not interfere with your neighbors' ability to attract and speak with expo attendees. For example, **loud music or flashing lights** intrude on neighboring booths, and are prohibited. Similarly, if your promotion attracts long lines that block access to neighboring booths or clog the aisles, we will ask

you to limit or suspend some aspects of your promotion. This frequently happens with **wheels to spin for prizes**.

FREIGHT & LABOR

The Las Vegas Convention Center requires the exclusive use of Union Labor. Please consult The Expo Group Exhibitor Kit for price lists, order forms, and other information.

Advance Shipping

- Freight shipped in advance to The Expo Group warehouse will be delivered directly to your booth prior to setup hours on Wednesday, November 7th. Using this service avoids lines at the loading dock and ensures early delivery of freight to your booth, so we encourage you to consider this option.

Arriving Freight

- Please label all freight clearly with your Booth Number, c/o The Expo Group and "Rock 'n' Roll Las Vegas Health & Fitness Expo." For specific labeling instructions, please see The Expo Group Exhibitor Kit.
- If you are shipping freight directly to the Expo, please note that deliveries will only be accepted during expo setup hours (see above for setup hours).
- The Las Vegas Convention Center **will not** accept and store deliveries before this time.

- The Las Vegas Convention Center will not hold materials for a later pick-up.
- Expo Group representatives will be on site to assist exhibitors with return freight.

- The Las Vegas Convention Center does not allow exhibitors to sell food and/or beverage.
- **Sampling requires written authorization from the Las Vegas Convention Center and a permit from the Department of Environment Health.**
- The Las Vegas Convention Center prohibits the ordering and delivery of prepared "take-out food" from any source.
- Exhibitors sampling food or beverage **must** order porter services through The Expo Group.

SECURITY

- Twenty-four hour security service is provided by the Expo. Although we cannot guarantee the security of articles left in your booth overnight, we have enhanced security with this policy: When the Expo is closed, no venue or exhibitor personnel will be allowed in the exhibit areas unless accompanied at all times by Security.
- We suggest that you take small valuables with you at night.

STORAGE OF FREIGHT AND EXHIBIT MATERIALS

- Your freight and exhibit materials must be stored within your booth.
- The Las Vegas Convention Center has no facilities for secure or open storage space before, during or after the Expo.
- If you have special storage needs, please contact Laura **before** the Expo.

AISLE SAFETY

Fire Department safety regulations require that aisles be kept clear at all times. Please be sure that your table and other booth furnishings do not go past the **edge of your carpet**.
