We agree we may not receive one of our preferred choices. NSNA will try to make assignment in area requested. Assignment of space made by NSNA will be considered accepted unless rejected within seven days from the date of receipt of space assignment notification. Once initial booth assignments are made, booths are assigned on a first come, first served basis. Full payment is due upon receipt of confirmation. All provisions of the official rules and regulations published in the official prospectus are part of this contract. NSNA may at its discretion accept or reject any application for space. The exhibit fee covers only space costs. Arrangement for furnishings, labor, shipping, and hotel must be made individually. Only non-profit schools of nursing receive one six-foot draped table, two chairs, and waste basket with each 10'x10' booth. An administrative fee of \$200.00 will be charged for any exhibitor requested space reassignments, if accommodated.
