

All About the GSAE Mobile App, provided by Map Dynamics

This year we are all app, all the time. You'll receive a separate email from us on Monday with a link to create your account. Please log in to access all the features!

Schedule – see the full schedule and bookmark any sessions you'd like to add to create your personalized schedule.

Speaker & Session Info – learn about the speakers and access their handouts, if applicable. You'll also be able to check-in to breakout sessions instead of paper sign-in sheets.

Sponsors & Exhibitors – show some love! Sponsors will be in the River Lounge, near the GSAE Registration desk. Exhibitors will be in the Regency Ballroom, upstairs.

- You may bookmark any companies for quick access to their contact information.
- You may also contact any sponsor and/or exhibitor directly through the app via the "Email Us" form:
 - Go to a company's profile and scroll down to click on the "Email Us" tab.
 - Fill out your name, email, phone and message to send.
 - Association executives who contact the majority of exhibitors will be entered into prize drawings.

Attendee List – see who else is attending! You can bookmark attendees via the app for quick access to their contact information, if available.

Pay the Pig Raffle – pay for your tickets via the app, then come to the GSAE Registration desk to pick up your tickets!

Silent Auction – all mobile bidding this year! Thanks to Tony Rissley, Expo Auctions

Dine Around – view a list of dinner options. We strongly, strongly encourage outside dining.
